## RICHARD FRINIER COLLECTION

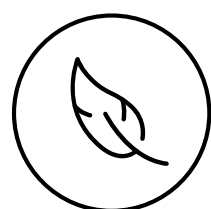

### Featuring Sunbrella® ReFlections Fabric

Fabric designer and artist Richard Frinier has always had a deep appreciation for the art of weaving — from the passion for the process to the artistry evident in the visual rhythms of woven artforms. Inspired by Richard’s travel and experiences with handwoven art, this collection celebrates the spirit of craftspeople around the world. Imbued with the rich, earthy colors of nature and designed for today’s lifestyles, it brings the essence of global design into the home.

# Sunbrella ReFlections Fabric

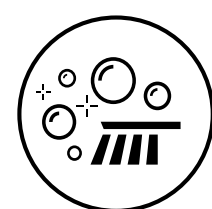

These fabrics are made with two forms of recycled materials: recycled Sunbrella® acrylic and recycled Sunbrella polyester. Much like the irregularity found in natural materials, each fabric is unique with flecks and natural yarn variations that give it an artisanal feel and meaningful connection to its reclaimed composition.

- ReFlections fabrics contain at least 50% recycled material with many patterns featuring a far greater percentage of recycled content.
- The blend of recycled yarns that define ReFlections fabrics lend dimension to the design with subtle flecks providing visual reminders of the recycled content woven throughout.
- Backed by the industry's most comprehensive warranty, ReFlections has a three-year warranty for outdoor use and a five-year warranty for indoor applications that include replacement fabric and labor costs in the rare instances it is needed.

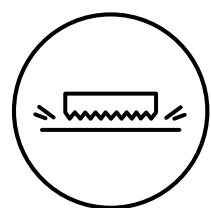

## Comfortable & Soft

The textures of our weaves bring softness and warmth to living spaces.

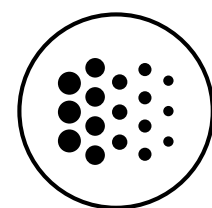

## Stain Resistant & Easy to Clean

Sunbrella fabrics are engineered to stand up to life's toughest messes with built-in performance and a protective finish that won't wash away, even after cleaning and daily use.

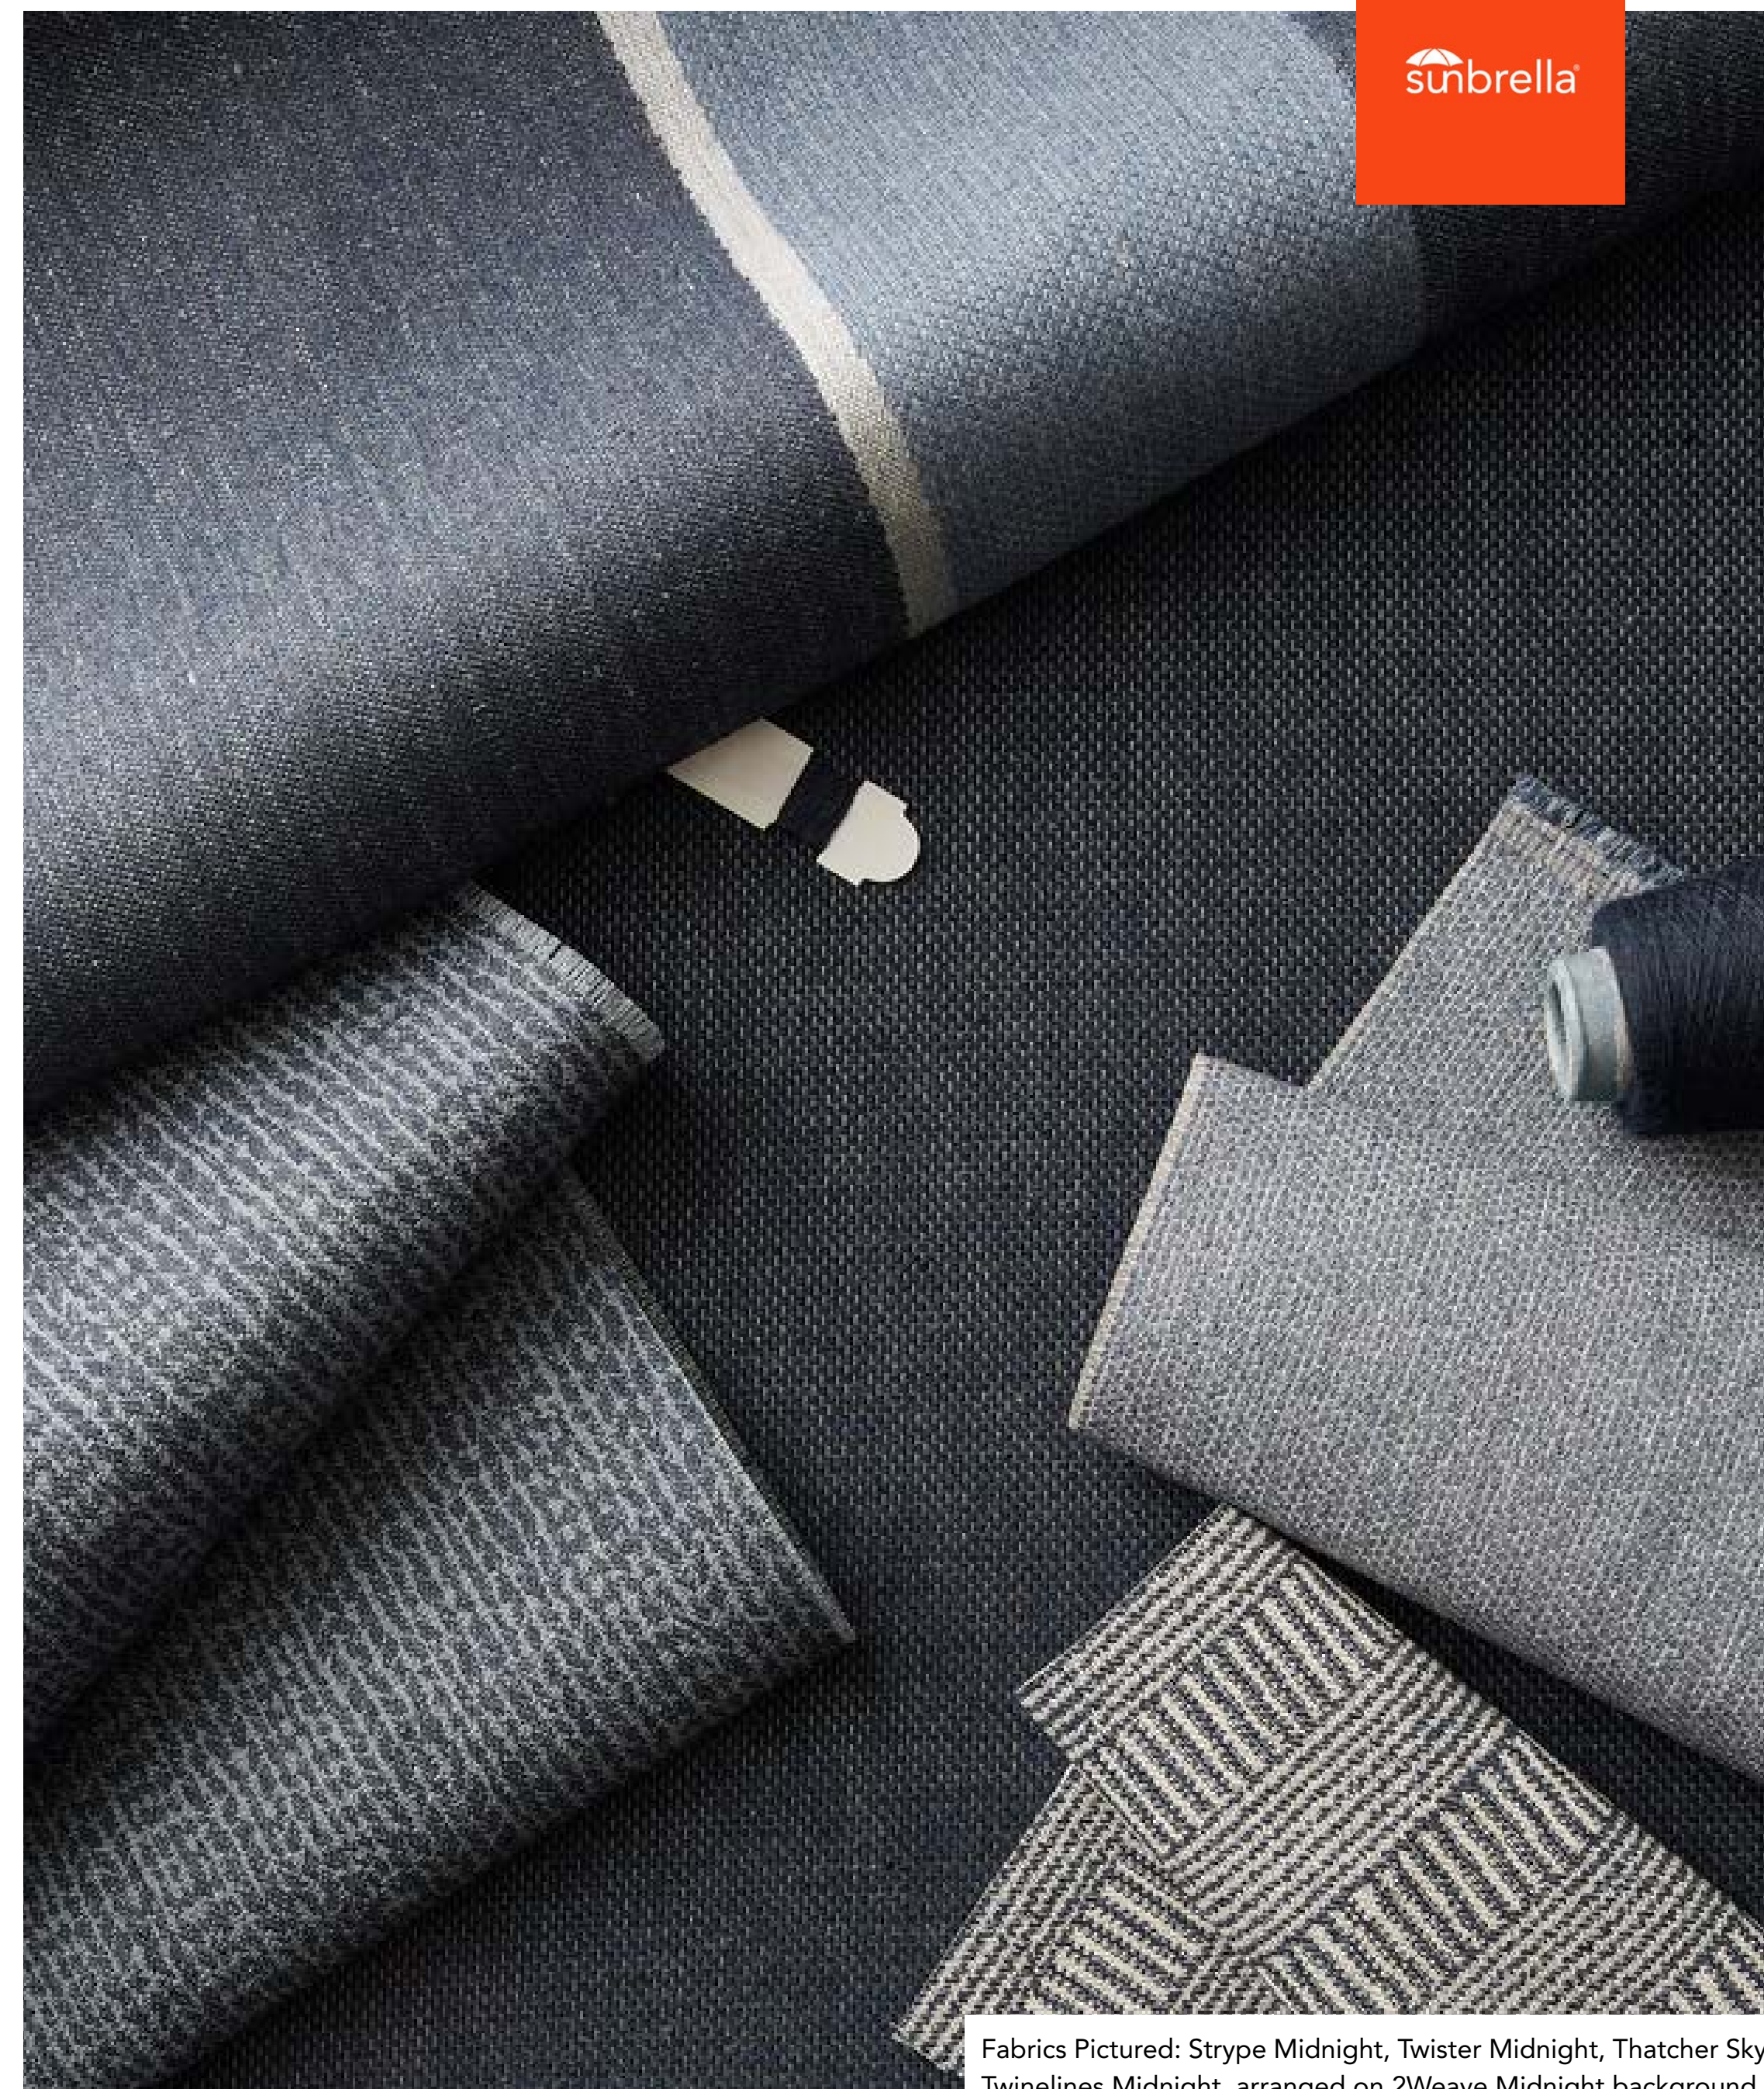

## Long-lasting & Wear Resistant

Sunbrella fabrics resist wear while remaining both comfortable and strong, without feeling heavy or stiff.

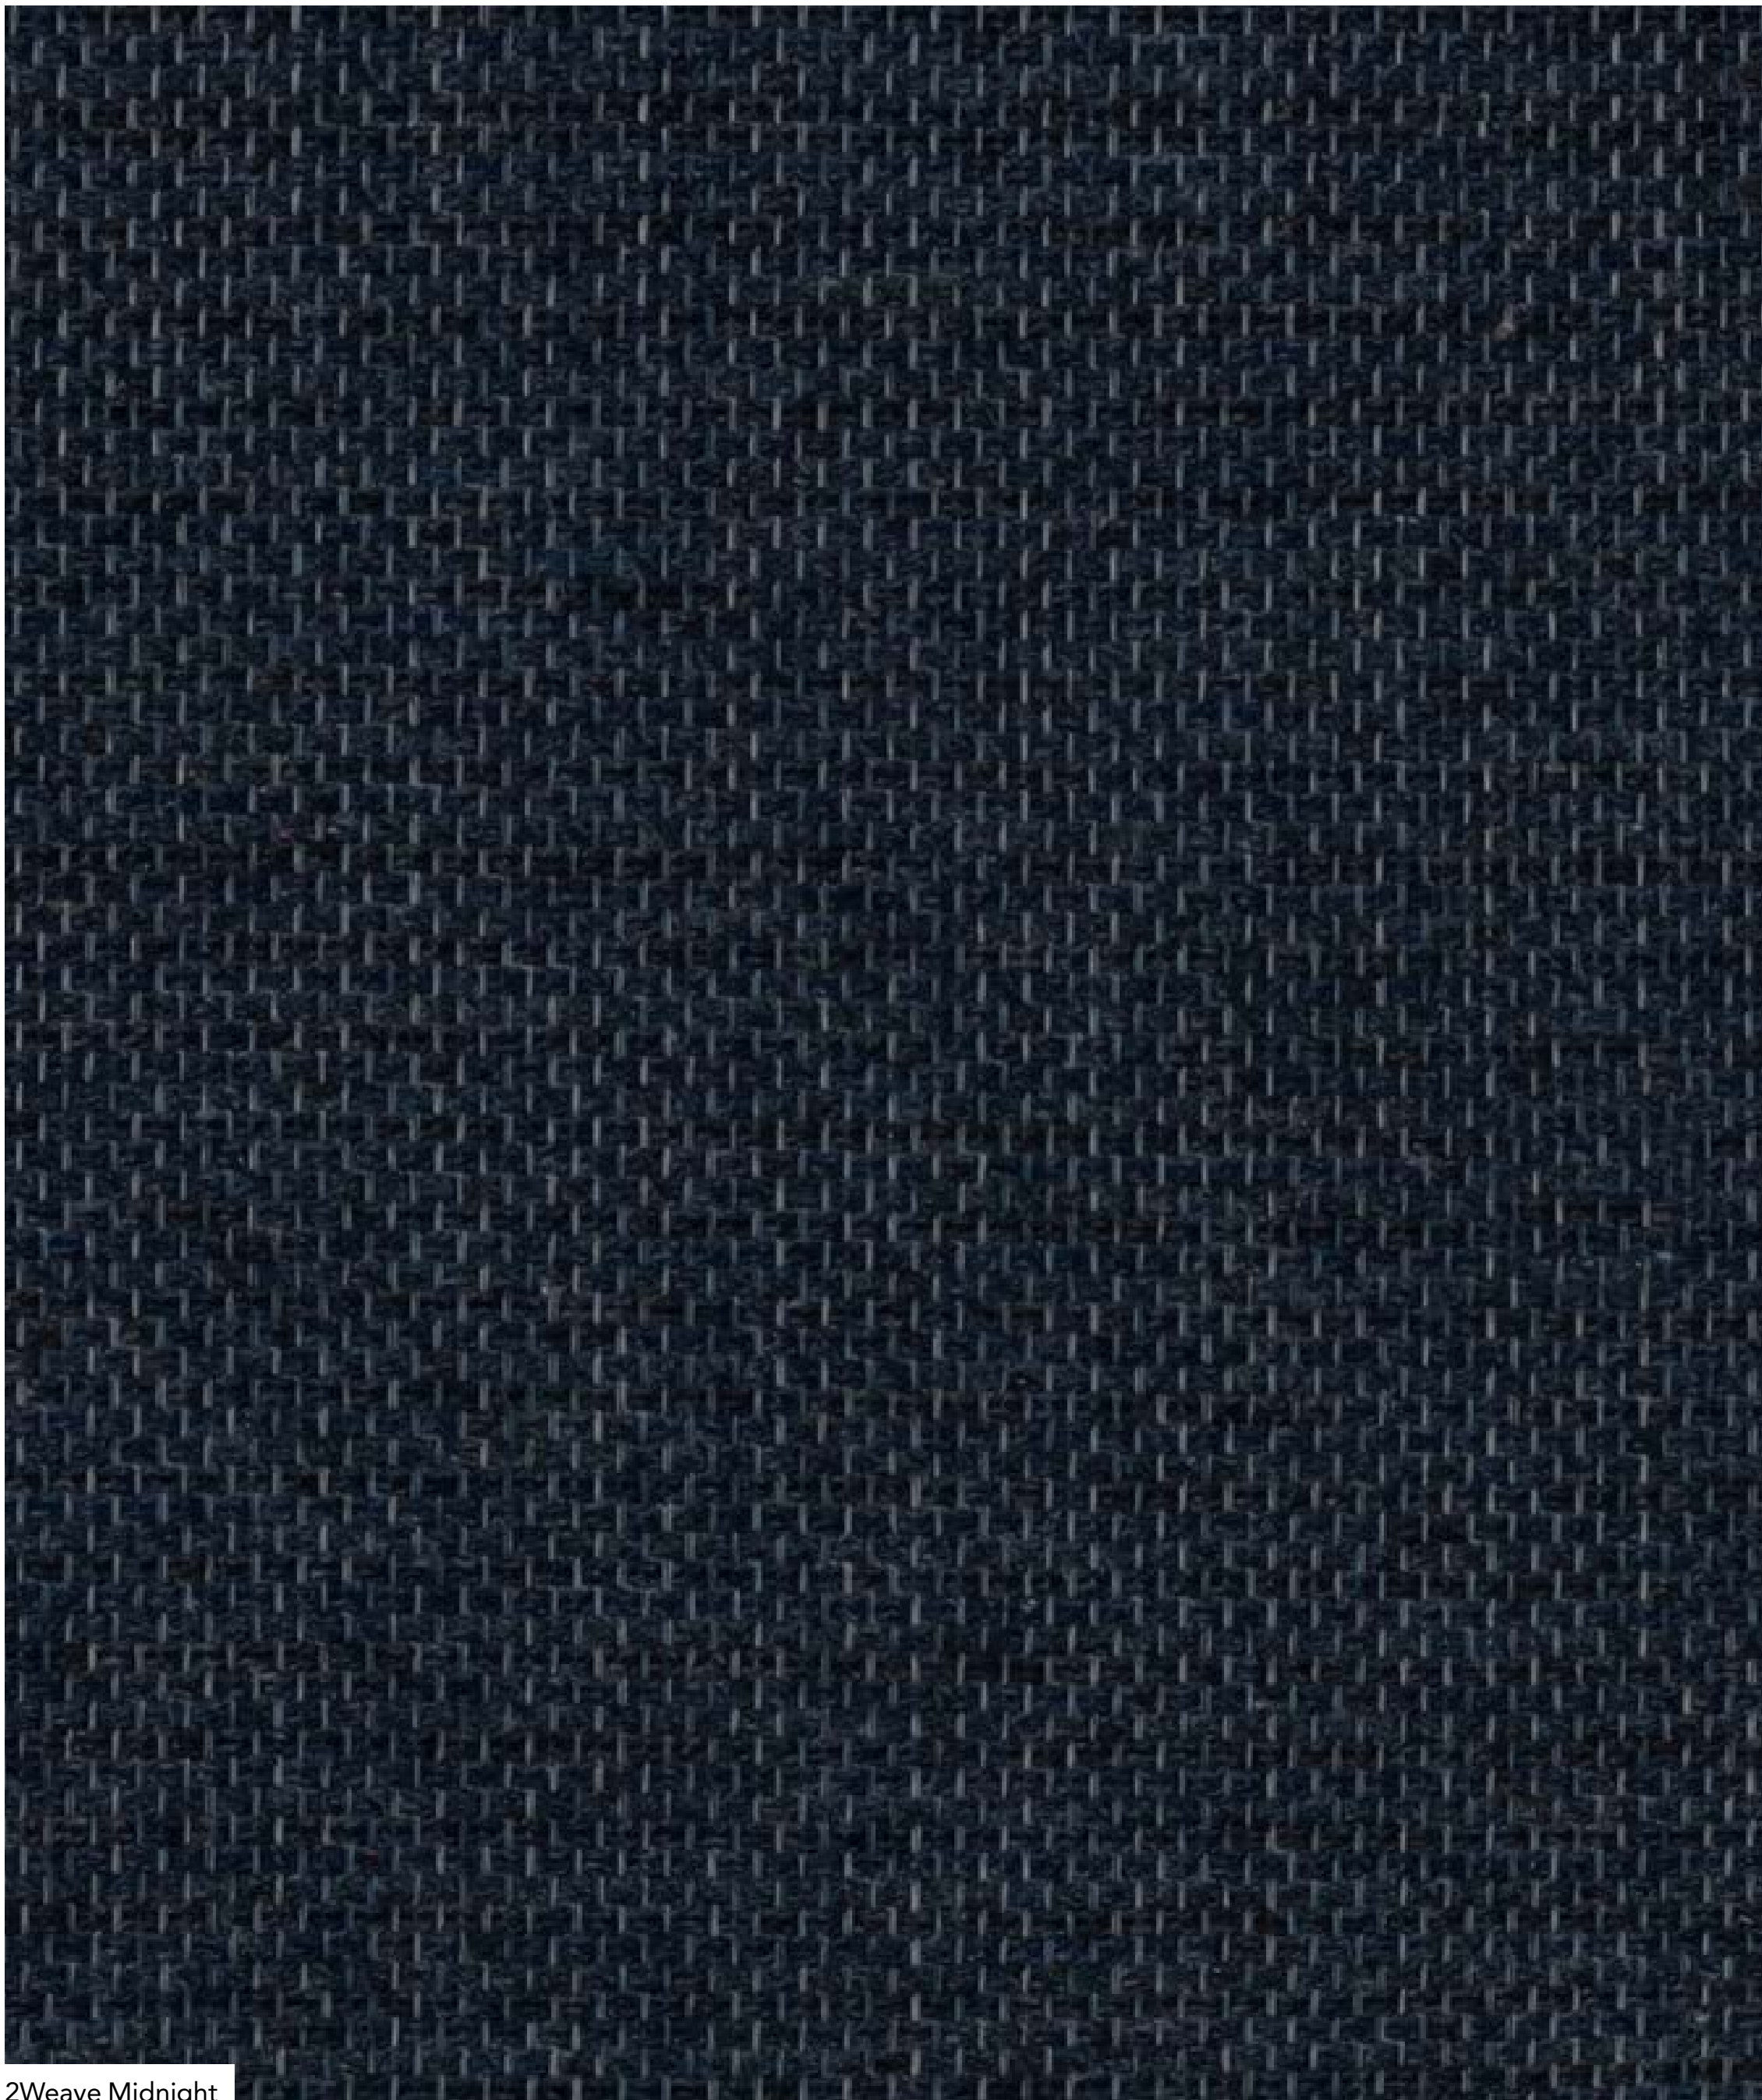

## Fade & UV Resistant

Unlike ordinary fabrics with dyes added to the surface, Sunbrella fibers are solution-dyed with UV stabilized pigments so the color stays brilliant over time, no matter the environment.

## Most Comprehensive Warranty in the Industry

We stand behind our upholstery fabrics with the most comprehensive warranty in the industry as the only performance fabric brand to guarantee against pilling and abrasion in addition to loss of color and strength.

**Outdoor Applications**  
3-year limited warranty

**Indoor Applications**  
5-year limited warranty

See [sunbrella.com/warranty](https://sunbrella.com/warranty) for more information.

## Act Performance Standards

Certain Sunbrella® fabrics meet specific ACT Voluntary Performance Guidelines, as indicated with the following certifications:

**Abrasion – High Traffic**  
30,000 to 100,000 double rub Wyzenbeek abrasion rating.

**Flammability**  
Passes California Technical Bulletin 117-2013 Section 1.

**Wet & Dry Crocking**  
AATCC 8 with Grade 3 minimum for Wet Crocking and Grade 4 minimum for Dry Crocking.

**Colorfastness to Light**  
AATCC 16 Option 1 or 3 test approval and meets Grade 4 minimum at 40 hours.

**Physical Properties**  
Pilling – Meets ASTM D3511 (Brush Pill), Class 3 minimum;  
Breaking Strength – Meets ASTM D5034 (Grab Test), 50 lbs. minimum in warp and weft;  
Seam Slippage – Meets ASTM D4034, 25 lbs. minimum in warp and weft.
